THE VOICE OF THE HIGHLANDS

HALIBURTON — ONTARIO

THURSDAY, MARCH 30, 1967

Established in 1882 as the
Minden Echo & Haliburton Recorder

Minnesota North Stars To Train At Haliburton

Minnesota North Stars, one of the six new members of the National Hockey League, will hold two trainings camps this fall.

General Manager Wren Blair

of the North Stars will invite approximately 50 players to camp at Haliburton on September 12 to become acquainted before more rigid training when they move to Oshawa on September

21. The players will skate at Haliburton.

The Minnesota team will be training at the new arena in Haliburton and they will be staying at Chateau Woodland, a summer resort near Haliburton. Local hockey fans will have their first opportunity to see a professional team in training for the 1967-68 National Hockey League season. Following the June draft we should know just what present N.H.L. players and new players will be here at the training camp.

After the team works out here for nine days they will then go on to the new Civic Arena in Oshawa to complete the training period. We understand that the North Stars have lined up a total of fourteen exhibition games with some of these games being played in Oshawa.

In a telephone conversation with Wren Blair, who is in New York at the present time, he told the Echo that hockey enthusiasm in Minnesota is running high and that the new Minnesota Arena which is being built and will be the home of the North Stars, is right on schedule and will be ready for the opening of the National Hockey League season in October.

Mr. Blair is more than delighted with the advance season ticket sale in Minnesota. Up to this time over 6,000 season tickets have been sold.

We here in the Highlands of Haliburton can thank Wren Blair for bringing in this professional hockey club. Come September let's all get out and give a big welcome to the Minnesota North Stars.

Things We Would Like To Know

On what fine day is the Dysart Municipal Council going to demand from the Ontario Water Resources Commission as to when a sewage system will be started in the village of Haliburton?

Is it not so that an official of the O.W.R.C. informed council that water is more of a necessity here than sewage?

Does not council consider the spending of some \$8,000.00 looking for water at questionable locations a waste of the taxpayers money?

How much longer are the people of Haliburton who see their taxes mounting by leaps and bounds and very little benefit coming in return, going to put up with the disgraceful sewage conditions that exist in this village?

Two Minden Residents Pass Away

The village of Minden lost two of its long time residents this week with the passing of Ernest Windover and Edgar Allen Rogers.

The late Mr. Windover passed away in the Ross Memorial Hospital in Lindsay on Monday after being in poor health for some time. The funeral service was held on Wednesday from the Minden United Church.

The late Mr. Rogers passed away in Minden on Tuesday. He was in his 83rd year. The deceased is resting at the Funeral Chapel of John Welch and Son, Minden until Friday, March 31, thence to the United Church for service at 2 p.m.

Lindsay Coming

The final round of the Tri County Senior Hockey League Playoffs for the Garnet Graham Trophy between the Lindsay Midtown Tigers and the Haliburton Merchants opened at the Lindsay Arena on Tuesday night.

The second game of the best four-out-of-seven series is set for the Haliburton Arena this Saturday night, April 1 at 8:30 p.m. Come on out and cheer the Merchants on to victory.

STAFF SHORTAGE BLAMED

Health Unit Faces Delay In Operation

LINDSAY (ENS) — A delay in establishment of the joint Victoria - Haliburton Health Unit is probable, Lindsay council was told on Monday.

Reeve George Finney explained that difficulty is being encountered in obtaining a staff. The unit is due to become operative on July 1.

He said it was his understanding advertisements have been placed in medical journals, but so far there has been no response.

Councillor Reginald Hollows said he has looked in vain for the advertisements. He admitted there is a great shortage of medical officers of health throughout Canada.

"I don't know whether we will be any better off if this unit ever becomes operative," he said.

Mayor John Eakins said a similar situation exists in connection with obtaining qualified personnel for county assessment departments.

"It seems too bad that when we are being encouraged to throw our weight behind updating county departments, the necessary manpower is not available."

Council authorized Clerk Bud Bates to write Victoria County Clerk Frank Weldon requesting a complete resume of activity to date concerning establishment of the Health Unit.

(Peterborough Examiner)

Referee School To Be Held At Haliburton

The Echo sports department was in conversation with Wren Blair, Manager of the Minnesota North Stars, a new entry in the expanded National Hockey League, on Monday of this week. We contacted Mr. Blair in New York. He informed us that a one week referees' School will be held at the Haliburton Arena from September 10 to September 11. It is estimated that 100 referees will be attending the one-week session and they will be staying at the Haliburton Hockey Haven.

Known as the Vern Buffey Professional Referee School, the instructions will come from top N.H.L. officials such as Vern Buffey, a veteran referee of the National Hockey League, Scotty Morrison, N.H.L. referee in chief, and Frank Udvari, supervisor of officials.

The School will concentrate on

personal instruction, rule familiarization, rule interpretation, positioning, judgment, outlook and attitude, 5BX physical training, proper diet and rest, practical experiences of officiating on the ice between two hockey teams.

With the National Hockey League expansion starting in the 1967-68 season the opportunities for a lucrative career in officiating have never been better. With the top officials from the Minor Pro Leagues moving into the N.H.L. ranks, there will be numerous openings for referees and linesmen at all levels of hockey in both amateur and professional.

Anyone wishing to attend the one-week session is asked to write to Vern Buffey Referee School, c/o 9 Roanoke Dr., Don Mills, Ontario. The Referee School is being held in co-operation with the Haliburton Hockey Haven.

Snow Removal To Watercourse

Considerable criticism was voiced by our residents when snow was removed from our streets and dumped into the Drag River. The following letter was received from the Ontario Water Resources Commission, which to us seems to be a little indefinite.

24th February, 1967.

Mr. W. B. Wood, Clerk,
Municipality of Dysart et al,
Haliburton, Ontario.

Dear Mr. Wood:

Re: Snow Removal to Watercourse

An acknowledgement is made of your letter of February 15, 1967 dealing with the dumping of snow removed from streets directly to a watercourse.

It is realized that snow dumped to streams as well as snow-melt drainage contains salts

which may pose a water pollution problem. The Ontario Water Resources Commission is proposing to undertake studies defining the chemical constituents in land drainage introduced into the Great Lakes and their origin where possible. The snow disposal practices are one aspect of this work. I can say at this time that data presently available is not indicative that a serious problem results from the practice of removal of snow to watercourses.

With more detailed information from the proposed studies on the effects of snow removal on water quality, we will be in a better position to judge the overall problem in the future. Your concern in this matter is appreciated.

Yours truly,

S. E. Salbach, Program Engineer,
Water Quality Surveys Branch,
Division of Sanitary Engineering.

Local Boys Overseas Enjoy The Echo

Mr. Berkeley Feir, Editor,
Haliburton County Echo,
Haliburton, Ontario.

Dear Sir:

Let me start by saying that the Haliburton County Echo is one of many different newspapers that arrive here from Newfoundland to British Columbia. And it is far from being one of the thickest. But surprisingly it is one of the most read. My paper comes once a week and yet all during the week someone always comes up "Hey Mike, got your paper yet?"

This may sound corny, nevertheless it is the truth. You see, there is a reason for this. A lot of the boys come from Ontario or thereabouts and most of them have heard of Haliburton.

You see, lots of times when things get dull at night Ron Perrin and I sit around and talk

about home, growing up in town, and the people, the good times at the Slipper, hunting seasons, hockey games, etc. Lots of times one of the boys will interrupt and say, "My brother was through there then" or "My Dad hunts there", or yet once we got into an argument with a lad from Stouffville about hockey.

Ron and I were just thinking the other day, isn't it amazing, here we are in Europe and yet it seems like home is here with us in conversation and thought, thanks to the County Echo.

So in closing, Ron and I would just like to say thank you for letting us share a part of your pride of the most wonderful town in Canada, on this our Centennial Year.

Yours sincerely,

Pte. Brodhagen, M.H.,
Germany.

In Appreciation

Many of us are prone to criticize those who are charged with the task of keeping our roads passable in winter and summer, so it is indeed refreshing to read the following letter of appreciation from the Haliburton Lake Cottagers' Association.

966 McCowan Road,
Scarborough, Ontario,
February 24, 1967.

Council of Dysart et al,
Haliburton, Ontario.

Dear Sirs:

This letter is sent in appreciation of the fine condition several of our cottagers found the roads in during their visits over the Christmas - New Year season. We are sure it made a very pleasant visit for them.

Yours truly,

Roberta Barker,
Secretary,
Haliburton Lake Cottagers' Assn.

HALIBURTON NEWSLETTER . . .

Spring is here at last and our snow of which we had plenty of is going fast. Some of our Easter visitors were quite surprised when they entered the Highlands as they expected that we would have a lot more snow than we did. They should have been here on the first of March.

The Dysart Municipal Council has been asked by the Department of Highways to remove the coloured lights that have greatly brightened up Highland Street since before Christmas and have evoked much favourable comment. Said lights were installed through the co-operation of the

Haliburton Rotary Club and the Dysart Municipal Council.

Haliburton like many other localities is beginning to feel a housing shortage. Quite a number of houses can be purchased but those who wish to rent encounter difficulty in securing suitable accommodation.

In the Centennial Calendar of Events for the Province which is a listing of Centennial Events and Projects, the name of this village is nowhere to be found. After all, haven't we a new Centennial Library. Surely that de

serves honourable mention.

Mr. and Mrs. C. W. Hodgson have returned home after spending the winter in Arizona, and while glad to be home again they really enjoyed their stay there. Arizona seems to have an attraction for a number of our citizens. We understand that Mr. and Mrs. Cliff Dawson and Mr. and Mrs. Rex Boice are presently there. Clay says that the climate is dry and warm with temperatures ranging from 65 to 80 degrees and the only snow one sees is on the mountain tops. Grapefruit can be had right off the tree at less than two cents apiece.

Cardiff Council

The Municipal Council of the Township of Cardiff met in the Orange Hall, Highland Grove on March 16, 1967, with the following members present: Louis Ruthven, Otwell Todd, Malcolm McGillivray and Edison Lewis, Councillors.

Moved by Todd, seconded by McGillivray that the minutes of the last regular meeting, and also the special meeting, be adopted as read.

Moved by McGillivray, seconded by Lewis that we, the Township Council of Cardiff, would like an invitation to attend the school meeting in Cardiff Township on Thursday, April 6, 1967.

Moved by Todd, seconded by McGillivray that the Road Superintendent be authorized to look for a steady man for Township work.

Moved by McGillivray, seconded by Lewis that we advertise for tenders for a front end loader with angle blade and tilt.

Moved by McGillivray, seconded by Todd that all employees of the Township have safety equipment.

Moved by Lewis, seconded by Todd that the following accounts be paid: Crowe Valley Cons. Authority (1967 levy) \$113.32; McGhees Sales and Service (radar light) \$14.33; Elmer Hughey (street lights) \$23.40; City of Oshawa (relief) \$50.68; Road Voucher No. 2 - \$1,933.69.

Moved by Todd, seconded by McGillivray that we adjourn until April 3, 1967 at 7:30 p.m. in the Orange Hall, Highland Grove.

Snowdon Council

The regular meeting of Snowdon Township Council was held on March 13, 1967 with the Reeve and all members of council present.

The minutes of the previous meeting were read and adopted on a motion by Ralph Young, seconded by R. J. Vick.

Moved by Ralph Young, seconded by R. J. Vick that the Clerk get estimates on the cost of brush mower for Township tractor.

Moved by R. J. Vick, seconded by Les Switzer that this council is in favour of the resolution of the Township of Sandwich West re Provincial Sales Tax.

Moved by R. J. Vick, seconded by R. J. Milburn that the Treasurer rebate part of taxes on Lot 26, Con. 14 due to house being destroyed by fire.

Moved by Les Switzer, seconded by R. J. Milburn that the Clerk is hereby authorized to issue all building permits and to notify the County Safety Inspector within seven days after issue.

Moved by Les Switzer, seconded by R. J. Milburn that the current bills amounting to \$211.00 be paid.

Moved by Ralph Young, seconded by R. J. Vick that the Road Account in the amount of \$1,149.13 be paid.

On a motion by Ralph Young, seconded by R. J. Vick the meeting was adjourned until April 10, 1967 at 7:30 p.m.

Traditional Dances And Totem Pole Ceremony At Expo 67's Indians Of Canada Pavilion

Indian dancers in strange masks swayed slowly to the deliberate beat of the Raven dance as an exquisitely carved 71-foot high totem pole was unveiled recently at the 1967 World Exhibition's Indians of Canada Pavilion. The colourful Kwakiutl ceremony was performed before Expo 67 Commissioner General, Pierre Dupuy; Minister of Indian Affairs, Arthur Lang; Indians of Canada Pavilion Commissioner General, Chief Andrew Tanahokate Delisle and a crowd of attractive Indian hostesses, press and other officials.

Hydro's tall trucks

A new breed of "tall trucks" is making giants of Ontario Hydro's linemen and foresters.

Aerial lifts, often called skyhooks, cherry pickers or bucket trucks, are contributing more to the electrical utility industry than almost any other mechanical device developed in the last 50 years. Their impact has been compared to that of the computer.

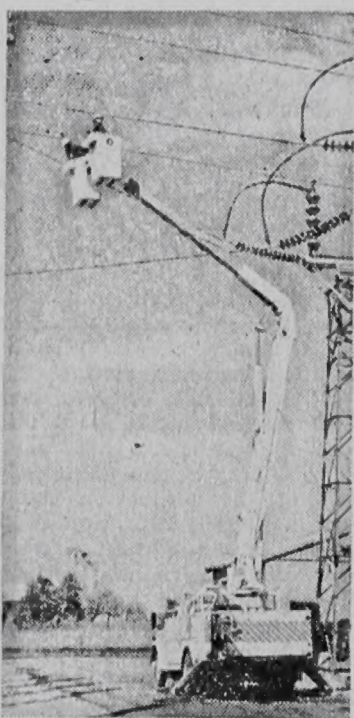

Hydro uses truck-mounted aerial lifts for line maintenance, construction and forestry work, and new uses are being found for them every day. Already a common sight along Ontario roadsides, these lanky giants will become even more familiar in the years to come.

Aerial lifts come in many shapes and sizes, but mounted on trucks their use is limited to fairly accessible areas. Now Hydro is mounting a few units on "off-road vehicles"—rubber-tired logging tractors that can go almost anywhere. Hydro's tallest trucks are 50-footers, but 65-, 85- and even 95-foot ones will soon be available.

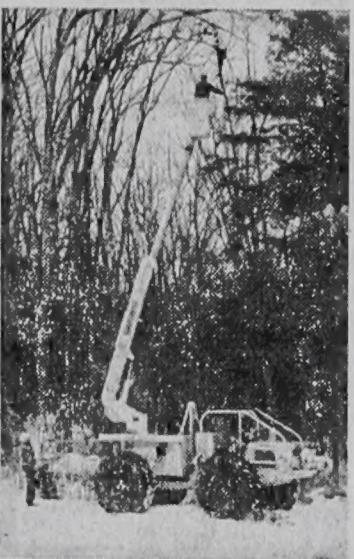

Efficiency has created the bucket-truck boom. For example, two foresters equipped with an aerial lift can do the work of four without. The insulated bucket allows men to work in safety close to power lines—or to actually handle live lines with bare hands while doing some maintenance tasks. Thus power interruptions for maintenance purposes are reduced. Sections of line difficult to get to by other means are easily reached with an aerial lift, thereby speeding up and simplifying the job.

Bucket trucks give the men a new interest and enthusiasm for their work. The effect is roughly the same as giving a boy a power mower to cut the grass or a snow-blower to clear the drive.

The devices are also proving a boon to older linemen and foresters. Normally, the first part of the body which gives out on men who climb for a living is their legs. Bucket trucks, in effect, provide new—and longer—ones. With an aerial lift the ability to climb is not necessary and the active working life of older, experienced men is extended considerably.

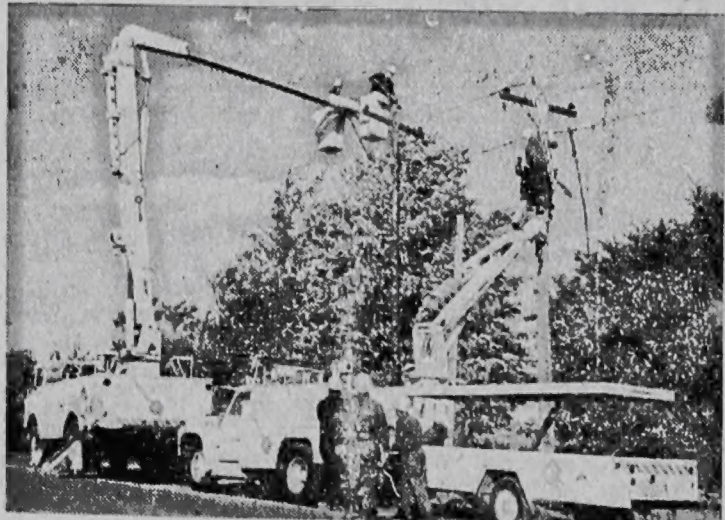

Reaches hard-to-get-to places easily.

Tractor-mounted aerial bucket doesn't need roads.

Tall trucks give Hydro's linemen and foresters a real boost in their daily work—both physically and mentally—and help them to provide and maintain better electrical service in Ontario.

Line crew using bucket truck and other specialized equipment move live line to make way for highway widening.

Glen Hodgson, M.P.P. for Victoria-Haliburton, (right), talks to Alan R. Capon, editor of The Lindsay Daily Post, about a meeting he had just attended dealing with Natural Resources, Wildlife and Mining. The picture was taken recently at Queen's Park.

Pictured above are Bill Downer and the Playboys who will be playing for a dance at the Harcourt Community Hall this Saturday, April 1. The Playboys are the top musical group in the circuit and play music for all ages. Admission is \$1.25 per person.

Comment By R. Glen Hodgson, MPP

ESTIMATES OF ATTORNEY GENERAL'S DEPARTMENT

In introducing these estimates into the Legislature, the Attorney General, the Honourable A. A. Wishart, pointed out that the areas in which approval for increased spending is being sought provide services that are exceptional in comparison to any other jurisdiction in Canada. They include:

The Ontario Law Reform Commission - This is the first and outstanding agency of its kind in Canada, and its work is being considered by all other Canadian governments, including the federal government. The Commission is presently engaged on studies on expropriation, personal property, security, mechanics' liens, laws of evidence, family law real property law, etcetera.

The Ontario Centre of Forensic Studies - This centre is the foremost in its field in Canada, and this year its director is also president of the world-wide international association of forensic sciences.

The Ontario Probation Service - This service is the most extensive in Canada.

The Ontario Police College and the Ontario Fire College - These colleges have attracted students from many agencies outside our own province, and the courses will be expanded to meet their increasing obligations.

The Legal Aid Plan - Two million dollars have been included in the estimates for this plan, the final details of which will be announced in the near future.

Consolidation of Police Services - Throughout the last year, the Ontario Provincial Police have taken over the responsibility for the policing of many of the 40 municipalities which had one-man police forces. In addition, the number of police forces with under 10 men in the province has been reduced from 190 to 133.

THE CONSUMER PROTECTION ACT, 1966

On Thursday, March 9th the Honourable H. L. Rowntree moved first reading of an act to

amend the Consumer Protection Act, 1966.

The 1966 Act provides for the establishment of a consumer protection bureau to:

(a) Disseminate information to consumers on protection available to them, and on lending and borrowing practices;

(b) Promote and assist existing counselling in respect to consumer credit;

(c) Receive and investigate complaints from consumers;

(d) Enforce legislation for the protection of consumers.

The amendment is designed to ensure uniformity with other similar statutes insofar as the disclosure of the cost of credit is concerned, and to establish the Regulations and Examination Branch of the Department of Financial and Commercial Affairs as part of the total consumer protection division.

PUBLIC AND PRIVATE HOSPITALS ACT

The Minister of Health, the Honourable Matthew B. Dymond, introduced amendments to the Public and Private Hospitals Acts.

The first amendment establishes two groups of public hospitals; i.e. Group H and Group I. Group H designates public hospitals for active psychiatric treatment; and Group I, those for alcoholism and drug addiction. It also provides that these two new groups of hospitals be placed on a par with Group A hospitals for purposes of striking the municipal rate for indigent patients.

The amendment to the Private Hospitals Act gives municipalities with agreements respecting treatment of indigent patients with private hospitals, the right to recover the cost of such treatment to the patient or to his estate if action is taken within one year after the patient's discharge from the hospital or his death in the hospital.

NEW 5-IN-1 VACCINE

Honourable Matthew B. Dymond, Minister of Health, announced that the Ontario De-

partment of Health will distribute the first quintuple vaccine ever made to local health units. An immunization program for infants using this vaccine will be carried out throughout Ontario next month.

The new vaccine contains agents presently given infants in a quadruple vaccine for protection against diphtheria, lockjaw, whooping cough and poliomyelitis, plus the new agent for protection against measles.

The immunization program will be continued on the same schedule in future, so that in 5 years all of Ontario's population under the age of 10 will be protected.

HOMES FOR THE RETARDED ACT

A provincial grant of five thousand dollars per bed for construction of new homes for the retarded, and twelve hundred dollars per bed for acquisition and conversion of existing structures into Homes, is contained in the Homes for Retarded Act announced by the Honourable John Yaremko, Minister of Family and Social Services.

Twenty-one new home are being planned in Ontario by as many parents' associations. At the present time there are only three such community residences.

The province will also increase its grant for operating costs from 75 to 80%. The age limit of 18 established in previous legislation for retarded persons in the homes receiving grants has been removed.

SALES TAX EXEMPTIONS

The Provincial Treasurer also announced new exemptions from sales tax on children's clothing and other items.

Insofar as children's clothing is concerned, sizes which are tax-exempt have been raised on such items as socks, sweaters, trousers and slacks.

Machinery and equipment exclusively for farm use is automatically tax-exempt. Farm equipment which can be used for other purposes - such as bull dozers - is tax-exempt if the farmer signs a certificate stating that the item is for farm use only. The new regulations add tractor tires and other items of that nature to this list.

UNIFICATION: PART TWO

Remember where we left off? Twenty years from now. A weak central government, with everybody from the housewife to the U.S. government down on it.

A tough, ruthless Uniforce, popularly known as the Canadian Cobras, 100,000 strong. And jut-jawed Joe Garibaldi, former union leader, as Defence Minister.

The Honourable Joe vaulted into the House of Commons in a rather unusual fashion. One of his opponents withdrew from the campaign, on health grounds, and set out for a world tour. The other was run down by a truck, just after addressing a meeting in which he had attacked the Honourable Joe. Both incidents occurred three days before the election. Joe won.

He moved into Ottawa with several beetle-browed cohorts. A modest flat? Not on your life. He took over an entire floor of the Chateau Laurier. There he lived quietly, with nothing to distinguish him from the average MP except the constant flow of champagne, call girls, and guests.

He was lavish with the press, and they liked it. He was always good for a story, because he had guts, colour, and good whisky, an unusual combination in a member of the House.

But the majority of his guests were sleek-headed men who grow fat and sleep o' nights. Industrialists with a new gimmick, armament-makers with a new toy, politicians with a new angle, and all the other flies who gather around honey.

The Honourable Joe was the natural choice for Defence Minister. Slack-jawed Lester Gordon, Prime Minister, last of Canada's Rhodes scholars, felt in a vague sort of way that the Cabinet needed new blood.

Within two years he had quadrupled the defence department's slice of the national pie. That made it 85 per cent of the taxes, but nobody kicked, because, even though there hadn't been a new post office, bridge or breakwater built in several years, everybody was proud of the Cobras, the world's finest fighting force.

And only a few old-fashioned

members of the press thought it odd that the Cobras paid ten per cent of their salaries, voluntarily, into the Old Soldiers Benevolent Fund. Chairman of the Fund, Joseph J. Garibaldi. By 1987, of course, there were precious few old soldiers left, but they were well treated by the Fund. Two glasses of beer a day, free smokes, roll-your-own, and a sexy movie every Saturday night, whether you wanted it or not.

Joe played it cool. He invited a couple of waiters from the Nanking restaurant up for a weekend bash. Everybody thought he was flirting with the Chinese.

The U.S. State Department called an emergency session. The C.I.A. infiltrated Ottawa, in the guise of civil servants. Of course, nobody recognized them. Each thought they were other civil servants spying on him.

Next thing he did was throw up a string of fortresses at Vancouver, Windsor, Brockville and St. Andrews-by-the-Sea. He justified the expense by pointing out, at a secret meeting of the caucus, that the forts were made of paper, thus giving a boost to our pulp and paper industry. But the results were drastic.

The Americans pulled eight divisions out of Germany and sprinkled them along the 49th parallel, about eight men to the mile. They sent an aircraft carrier up the St. Lawrence Seaway. It got stuck sideways, but the residents of Prescott, Ontario, lost their cool for a few days, with those 19-inchers trained on them.

The entire U.S. Air Force was yanked out of South Africa, from which they had been napalming the Congolese. The pilots were delighted to be back in spots like Oswego, N.Y., where a beer was 35 cents instead of a buck, and besides, they wanted a whack at those Canadian Cobras, who were getting more space in Life magazine than they were.

Alas, once again we have run out of space, and you must wait until next week's issue to learn how Canada was taken over by a dictator in the only bloodless revolution in history. Well, practically bloodless.

The Reader's Corner

By A. B. BONNER

We have become very dependent these days, on others to help us through this troubled life. The others I refer to are those people we call at any hour of the day or night to help us to solve a problem, real or imaginary. They seldom refuse if the need is urgent and no matter what they are doing it becomes minor in relation to the problems we think we have. They come to help, taking time only to get dressed if necessary and to get out to us. They provide a service or assistance for which they may or may not be paid, but in any event, could never be paid enough for the value of their help and inconvenience.

Their lives are never their own, their plans almost always changed and in general they belong to us insofar as their time, ability and feelings are concerned. In most cases we don't even thank them, we may abuse them but with all this they seldom complain. They just continue helping out, unsung heroes in a world full of demands.

We don't realize how essential to ourselves as human beings, these people really are until it is much too late. Then our consciences begin to bother us and we feel a little guilty for the advantages we have taken.

Such, unfortunately, is our way of life.

Who are these people we take so lightly? They are many.

One such person was L. H. Carroll, M.D.

HALIBURTON — ONTARIO

"The motorist who hit me has no insurance..."

Can I recover my damages?"

Yes. You probably can.

The Motor Vehicle Accident Claims Fund was set up by the Ontario Government for just that purpose. Motorists and pedestrians who have suffered personal injury, or damage to property as a result of being innocently involved in an accident with an uninsured motor vehicle, should immediately contact:

Director of Claims,
Ontario Department of Transport,
10 Mary St., Toronto 5, Ontario

★Innocent victims of a hit-and-run accident can claim personal injury loss from the Ontario MVAC Fund.

Hon. Irwin Haskett, Minister

Letter To Editor

153 Spadina Rd.,
Toronto 4, Ontario.
March 12, 1967.

The Editor,
Haliburton County Echo,
Haliburton, Ontario.

Dear Sir:

A man died last Thursday, Mr. Feir. A great big man died last Thursday, Mr. Feir. An era ended when Dr. L. H. Carroll died last Thursday, Mr. Feir.

I had known Dr. Carroll for almost all of my twenty-five years. When I was a child he loomed large in my eyes, but now, as I am about to graduate from Medical School, he looms even larger. As a man, Dr. Carroll loved Haliburton County with all his strength, as a physician he gave it all his strength. For more than thirty years, Mr. Feir, Dr. Carroll gave himself to the birth and the growth of Haliburton County and its inhabitants. Do you know what I mean by the word "gave" Mr. Feir? And, as both a man and a physician, Dr. Carroll was the biggest and the best that you or I will ever know, Mr. Feir.

Can you then understand my grief at your words in the Haliburton County Echo of March 9th, 1967: "It is hard to estimate the great loss our town has suffered, as doctors are hard to come by." If you possessed the slightest nuance of subtlety, Mr. Feir, these words would be hurtful in the extreme. But through past experience in reading your newspaper, I know that however euphemistically you may speak, subtlety you do not possess. I therefore assume that you made a mistake in semantics, one which might lead you to say at the passing of a mother: "Cooks are hard to come by." I am sorry, Mr. Feir, that you made such a mistake; ignorance is pardonable, sarcasm is not.

Dr. Carroll is lost to this town as more than a physician, as more than a technician of medicine — and a damn good one. He is lost as a man who gave love through the practice of medicine. I grieve, Mr. Feir, for we will never ever be lucky enough to find another man of his stature.

Yours very truly,

Charles L. Webster.

MINDEN

Mr. Lawrence Pritchard, after spending two weeks in Toronto Western Hospital, is now a patient at Hillcroft Convalescent Hospital, Toronto.

EDITORIALS ...

A Housing Shortage

A housing situation in the village of Haliburton is coming very acute. During the past month several families wanting to locate in Haliburton have found it necessary to move to other centres due to the housing shortage. The biggest percentage of these people are not in the market to buy a house but would like homes to rent.

In the past week we have gone out of our way to try and rent homes for a minister, two school teachers, a businessman and others with little or no success. It's very unfortunate that we are faced with this situation when we should be all out to welcome new families to Haliburton.

We have heard rumours that our population is dropping here but how can we expect anything else when people can't find a place to live. We hope that someone can come up with the answers in the not too distant future.

Local Boy Makes Good

This week we salute and congratulate Wren Blair, a native of Haliburton and a sportsman, who is going places in the hockey world. Wren who has built his entire life around the world of hockey can look back with satisfaction on his accomplishments and we wish him every success for the future in his new role in professional hockey.

If you are a hockey fan you will well recall that he was the man who guided the Whitby Dunlops a few years back to a World Hockey Title for Canada. Later on he accepted the position as Manager of the Oshawa Generals of the O.H.A. Junior 'A' hockey league and has been with the Boston Bruins organization since that time. But now comes the biggest challenge of his hockey career as Manager of the Minnesota North Stars, a new entry in the expanded National Hockey League. Looking back over Wren Blair's hockey record we can rest assured that he will have great success with the Minnesota team. He has grown up with hockey, he knows hockey, and can spot a good player a mile away.

The citizens of Haliburton County should be very grateful to Mr. Blair for the publicity he has given us in connection with the Haliburton Hockey Haven. The Camp was such a success last season that this year five new cabins will be added to take care of the large enrollment. The Camp will be double the size of last year and up to this date 150 boys more than the total number in camp last year have been registered and its still early.

We understand that the response for boys coming to stay at the Haliburton Hockey Haven is so great that the local boys and commuters from the surrounding cottages will be taking their sessions in the evenings.

This year the Haliburton Hockey Haven will be adding a Referees' School in September and for the first time in Haliburton's history a National Hockey League team, the Minnesota North Stars, will be coming here to train.

In closing its a case of a local boy making good, and we wish to thank Wren for the wonderful publicity he is bringing to us here in the Highlands of Haliburton and join with all sports fans in wishing him the best of luck with the Haliburton Hockey Haven, the Vern Buffey Professional Referee School, and we say welcome to the Minnesota North Stars.

Wilberforce Salutes Centennial Year

GUEST EDITORIAL

We here are about to witness one of the biggest events ever to be seen during this coming summer. It is the climax of the largest endeavour ever to be put into effect, and it will never again present itself as of this occasion of one hundred years.

All across Canada, Ontario, every town, village and hamlet will endeavour to dress up as to speak, ready to meet the greatest influx of sightseers who will be touring our country, and not as tourists. They will be coming by car, trailer and camping outfits, also big government carrying vans which will carry large numbers of people who are interested in our big outdoors. That will be starting in about two or three months from now, and should reach in volume by mid-summer.

To show our appreciation and to welcome these strangers, that most of them will be, we should put on our best clothes, as we might say. That is to start to look and see if there is anything that can be done to make Wilberforce a place to remember.

Here are a few things that will help to brighten up the village. Look around and see where a little flower garden can be seen, also a little painting, a tree here and there, the grass kept short, and there are many other little things that can catch the eye. Also any old buildings that are not in use could be pulled down to make a place for any car or house trailers, who want to stay over night. If you have a flag, Centennial '67, put it out as it will bring good feelings to the welcome sightseers.

It could be a good arrangement for our Community Centre or Fire Hall to appoint a small committee and select four young people, two girls and two boys, to go around and try to help and show what is needed. That all can be done with no cost or trouble as everybody here are willing to try and help make this something to be remembered. This is our first chance to do our part for this great occasion, and the last. We cannot expect our County Council to take part in this as it is only a public endeavour, our own property and our own homes.

I make the suggestion re the committee of two girls because they will see what wants doing better than the men, but the men will do the job.

A Flag for our School and Fire Hall?

CHURCH NEWS

GOODERHAM U.C.W.

The Gooderham U.C.W. met at the home of Mrs. J. Pickens on Wednesday afternoon, March 8.

The meeting opened with the call to worship by Mrs. Willard Billings, Vice President, in the absence of the President, Mrs. Gordon Barr, who is vacationing in the south.

The Scripture lesson was read by Mrs. Pickens, Mark 16, verses 1-20.

Mrs. Milburn who had charge of Devotions, which was preceded by a hymn sing, spoke in her own words on the meaning of Easter. Mrs. Billings led in prayer.

The roll call was answered with a poem or verse on the Easter theme.

The minutes of the last meeting were read by the Secretary.

Mrs. Fotheringham, and approved. Mrs. Allen Madill read a portion of the second chapter from the Study Book, "Jesus Christ and the Christian Life".

The business session followed. Mrs. Milburn closed with prayer. Refreshments were then served by the hostess which we always enjoy.

FRIENDSHIP CIRCLE

The Friendship Circle met at the home of Mrs. Dallyn Pickens on Friday afternoon, March 17.

Some of the ladies brought along their knitting, fancy work and crocheting. These visits of fellowship together are much enjoyed.

A cup of tea, delicious sandwiches and cake served by the hostess brought the afternoon to a close.

MINDEN

Easter guests with the Harry Newmans included Mr. and Mrs. B. Andrews, Jim, George and Bob, all of Toronto.

Miss Mary Ellen James who is attending school in Oshawa spent the weekend at her home in the village.

Sympathy of the community to the family and friends of the late Ernest Windover who passed away on Sunday.

Mr. and Mrs. Alec Beattie and Ian of Toronto spent the weekend with the Ern Hewitts.

Mrs. Wm. Moore spent a holiday in Toronto with her sister and her daughters and their families.

Mrs. W. McArthur is home again after a holiday in Texas and St. Thomas.

Mrs. N. Leigh spent the weekend in Toronto with Mr. and Mrs. Joe Gentle and Joel.

Holiday guests with the Lorne Dawsons were the Jim Dawsons of Toronto.

Mrs. Elmer Crawford was home again Friday after several days in Civic Hospital, Peterborough.

Mr. and Mrs. Dale Coulter of Gravenhurst spent the weekend in Minden and Haliburton.

Mr. and Mrs. Charles Francis and family of Brampton spent the weekend with the Harold Coulters.

Mr. and Mrs. Ern Voycey of Cambridge visited the Phil Robinsons and the Dave Harrison at Boskung last week.

Mr. and Mrs. Phil Corby Jr. and family spent the weekend with relatives in the village.

Congratulations to Mr. and Mrs. Phil Robinson on the arrival of their first grandchild, a son of Janice and Jack Shaw.

Mrs. Leslie Hogg was a very lucky person, one of the big winners at Bingo at Peterborough on Saturday.

Jim and Marnie Robinson, former residents, spent the weekend with the Ron Robinsons.

Mr. and Mrs. Bob Bollom and

PERSONALS

family are away for several weeks visiting their parents in Quebec.

Mr. and Mrs. James Stevenson of Oshawa spent the weekend with his mother.

Sympathy of the village to the family and friends of the late Mrs. Bert Brown who passed away over the weekend.

Easter weekend was a very busy one in the village with many summer residents at their cottages for the first time this year.

Mr. Bert Coulter is presently visiting his sister and her family, Mr. and Mrs. Leigh Harrison.

CARNARVON

(Intended for Last Week)

Mr. and Mrs. Ross Harrison have returned home after a winter vacation in the southern United States. Mr. and Mrs. Sinclair Russell have returned to their own home.

Mr. and Mrs. Wilmot Thomas and Kathie of Toronto were weekend guests of the Thomas'.

Messrs. Raymond McKay and Ross Packard of Toronto were home for the weekend.

Mr. Aris Marcus spent last week in Toronto.

Mrs. Orville Harrison and Paul of Toronto were home for the weekend.

Mrs. Kay Clarke of Ottawa is staying with the Bud Medleys for a few days before going on to Peterborough.

Mrs. Elsie Bursey is visiting in Toronto.

Weekend guests of Mr. and Mrs. Alec Hewitt were Mr. and Mrs. Wilf Hewitt and children of Oshawa.

Mr. and Mrs. Murray Splan of Toronto spent the weekend with Mrs. N. Hussey and Mr. Ralph Hussey.

The March meeting of the Fellowship Group of the U.C.W. was held at the home of Mrs. Max McKay on Monday night.

WEST GUILFORD

A speedy recovery is wished Mr. Keith Sisson who underwent surgery in the Ross Memorial Hospital in Lindsay.

Mr. and Mrs. Gary Barry and family of Toronto were weekend visitors with their parents.

Mr. and Mrs. John Anderson and Lindsay of Toronto spent the holiday weekend with Mr. and Mrs. M. McGuire.

Mrs. Kay Edwards spent a few days in Toronto on business.

Mr. and Mrs. Ronald Elstone of Ottawa were visitors with relatives and friends in the village.

Mr. and Mrs. Wm. Hlywka and family of Welland spent a few days of their holiday with Mrs. Cora Sawyer.

Weekend visitors at Hillcrest Haven were Mr. and Mrs. Conn of St. Catharines, Mr. and Mrs. Bartlett of Port Colbourne and friends.

Mr. and Mrs. Byron Sisson of Elliott Lake spent the weekend with their parents, Mr. and Mrs. Andy Sisson.

Mr. and Mrs. Bernard Sisson and family of Sudbury were visitors with relatives for the weekend.

Mr. Herm Wilson and Mr. Alf Creer of Toronto spent the holiday weekend at their summer home.

Mr. Donald Cooper of Woodstock spent the weekend with Mrs. Blanche Linton.

Visitors with Mr. and Mrs. Stanley Cooper were Mr. and Mrs. Ken Rapson and family of Rexdale and Mr. and Mrs. Lorne Cooper and family of Weston.

21 YEARS OLD?

When you turn 21 you are no longer covered by your parents' Hospital Insurance. You must take out individual membership within 30 days. Get your application form at a bank, a hospital, or the Commission.

NEW JOB?

To keep insured follow the instructions on the Hospital Insurance "Certificate of Payment—Form 104" that your present employer is required to give you on leaving.

NEWLY WED?

The "family" Hospital Insurance premium must now be paid to cover husband and wife. Notify your "group" without delay or if you both pay premiums direct, notify the Commission.

IN MEMORIAM

DEAN - In loving memory of my dear husband, James Dean, who passed away April 1, 1965. Alone, but never quite alone I face an empty chair, but sometimes in the silence I imagine he is there; My companion for so many years No longer here with me, And yet in some mysterious way He keeps me company. —Sadly missed by his wife Nellie.

DEAN - In loving memory of a dear father, James Dean, who died April 1, 1965. Time cannot erase our love, Our memories or our loneliness; We miss you, Dad. —Loved and remembered by Lorna and Bill Ramsay and Family.

DEAN - In loving memory of a dear father, James Dean, who passed away April 1, 1965. He is gone but not forgotten, And as dawn's another year, In our lonely hours of thinking, Thoughts of him are always near. Days of sadness will come o'er us, Many think the wound is healed, But they little know the sorrow That lies in the heart concealed. —Ever remembered by Russell, Ethel and Family.

DEAN - In loving memory of our dear grandfather, James Dean, who passed away April 1, 1965.

We lost a Grandfather with a heart of gold, Who was more to us than wealth untold; Without farewell he fell asleep, With only memories for us to keep. We have lost but God has gained One of the best Grandfathers the world contained. —Sadly missed by grandchildren Evaline and Alcide, great grandsons Paul and Danny.

Notice to Creditors AND OTHERS

In the Estate of **LAWRENCE ALBERT HARRISON** Retired Gentleman, deceased

All persons having claims against the estate of the above mentioned, late of the Township of Stanhope, in the Provisional County of Haliburton, who died at the Township of Dysart, in the Provisional County of Haliburton, Ontario, on the 28th day of February, 1967, are required to file proof of the same with Vera May Harrison, the Executrix of the Estate of the said deceased, in care of J. Earl Palmer, Q.C., Minden, Ontario, on or before the 15th day of April, 1967.

After that date the Executrix will proceed to distribute the estate, having regard only to the claims of which she then shall have had notice.

DATED at Minden, Ontario, this 9th day of March, 1967.

J. EARL PALMER, Q.C.,
Minden, Ontario,
Solicitor for the said Executrix.

Mr. and Mrs. Everett Burk visited on Sunday with Mrs. Ed Elstone of Soyers Lake.

Mr. and Mrs. Ted Carpenter, Mr. Albert Carpenter and Mr. H. A. Baker called on Mr. and Mrs. Doug Carpenter of Lochlin on Friday.

Mr. and Mrs. Bill Crofts and family of London visited on the weekend with his mother, Mr. and Mrs. Jack Francis.

Mr. and Mrs. Ed Carpenter, Mr. Albert Carpenter and Mr. H. A. Baker visited on Sunday with relatives in Fenelon Falls.

Mr. and Mrs. Harry Burke were pleased to have their family all home on Sunday.

Mr. and Mrs. Bert Carpenter and Mr. and Mrs. Ted Carpenter visited recently with Mr. and Mrs. A. E. Carpenter of Haliburton.

A number of cottagers are enjoying the Easter holidays at their summer homes here.

Auxiliary Meets

The March meeting of the Hyland Crest Auxiliary was held in the Craft Room. Mrs. Coburn, President, read the Auxiliary Prayer. She also read "What the Saint told the Sinner", and added comments pertaining to the auxiliary and the home.

Mrs. Doreen Stinson read an excellent account of the minutes. Mrs. Stinson always reports the events of the previous meeting in a most interesting way. Mrs. Horsley reported a great amount of correspondence had been written.

The Treasurer was absent, and her report was read by Mrs. Coburn. Mrs. Bursey is in charge of memberships and would be glad to have your fee for 1967.

Birthday parties for the residents were discussed. They will commence this month and will be in charge of the executive for this first one. It is hoped that groups of ladies will continue this pleasant task once a month.

The residents participating in Crafts had on display many stuffed toys and other articles they had made. If you have not participated in some of these activities with the residents, you have no way of knowing what a boost they can give your morale. Do plan to spend some time with these people. Like bread cast upon the waters it will return to you multiplied, and you, will receive the benefit of the time spent together.

A lengthy discussion followed regarding the best evening for the Auxiliary meetings. It was decided to hold the next meeting on a Tuesday night, in hopes that more men as well as ladies will be able to attend.

By ROBERT F. NIXON
Ontario Liberal Leader

The Ontario Water Resources Board has done, on the whole, a good job — it should, with ordinary expenditures of eleven and a half million dollars expected in the fiscal year ending next March. But the hard fact is that the job being done isn't good enough to catch up on the pollution that already exists and to guarantee against pollution in the future.

Of particular concern is the problem of industrial pollution, which may some day — if allowed to go unchecked — threaten every resort owner in Ontario. To date the fines levied against industries that spew garbage into our waters have been so small that they're nothing more than licenses to keep on polluting. Too often efforts are being made to check a factory downstream — blithely ignoring what's going on upstream.

Industry has a moral as well as a legal obligation to ensure that it does not destroy its natural setting. While we can be happy that various plants and factories throughout Ontario provide needed jobs for some, we must not lose sight of the fact that, uncontrolled, pollution will bring the revenge of nature, leaving many people out of work in the long run. What would happen to our tourism, guiding, boating, recreation if we allowed Ontario's waterways to become floating sewers? This is a subject I'll be returning to here and in the Legislature — because of its prime importance.

At the same time I'd like to draw your attention to another

serious Ontario problem: In our second century, when the province has an essential role to play in our lives, it is crucial that we have carefully spelled out development policies, on a regional level.

The first priority should be a complete reorganization of the Department of Economics and Development to include the Tourist Development Branch and Ontario Hydro. Such a revitalized department should be in constant touch with ARDA, the planning section of the highways and public works departments and with commuter line planning.

That's a big order — but the alternative is the present chaos, in which all our efforts are being scattered and from which we're getting little or nothing. The Ontario Development Corporation must be given more funds and must open more offices in smaller urban centres.

A former Minister of Economics and Development promised Ontario a \$100 million fund and what we got was a \$7 million corporation which has opened one project — an addition to an instrument plant.

There should be an overhaul of the Regional Development Councils to give them adequate funds and adequate, permanent, full-time staff to assess each district, keep up-to-date records and stay in touch with people and their problems.

People and their problems are — or they should be — the stuff of which all government concern and action are made. If you're interested or concerned, if you have questions or problems, drop me a line.

Minden W.I. Hold Monthly Meeting

The March meeting of Minden W.I. was held at the home of Mrs. Wm. Locke with Mrs. P. Clarke, Vice President, in the chair. The ladies sang O Canada, the Ode and repeated the Mary Stewart Collect.

The roll call of "How to get rid of a Salesman" was replied to by 18 members and one guest. The reports were given and letters were read.

Mrs. A. S. Kernohan then gave her talk on Stelco at Hamilton, showing its importance for its own products as well as the many bi-products resulting from its processing.

The District Director, Mrs. Harry Welch and Mrs. Sears will be going to the District Executive Meeting at Fenelon Falls if the weather permits.

The Secretary read the list of School Fair prizes with a Centennial theme; this goes to all the public schools in the county, with exhibits to be shown at the Fall Fair.

Mrs. J. Fairfield read a note

on the late Governor-General Vanier, showing our awareness of his fine life-long service.

After some discussion it was decided to have a Centennial Quilt with the committee on this being Mrs. Angus Coulter, Mrs. B. J. Walker and Mrs. L. Cox. Visitors to the local hospital and Hyland Crest Home are Mrs. P. Robinson and Mrs. Ruppi.

Mrs. H. Stevens gave a paper on Education, showing the rising costs of this and some ideas of

current stress on drop-outs and also some facts on adult training.

The Secretary announced that the Nomination Committee would have a slate of officers ready for the next meeting for the new year. This meeting will be held on the regular date in the evening at the home of Mrs. Wm. Moore.

The meeting closed with the National Anthem and W.I. Grace and all enjoyed a social half hour and the lunch served by our hostess and the committee.

TENDERS WANTED

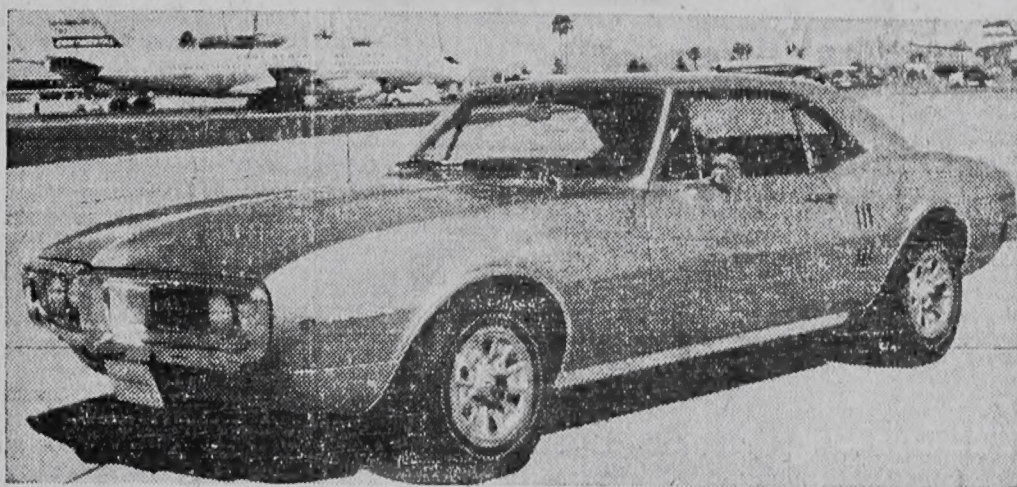

The Township of Cardiff invites tenders on the supply of a FRONT END LOADER with angle and tilt blade.

Tender forms and specifications may be obtained from the office of the undersigned. Final date for the receipt of tenders is 6:00 p.m. April 30, 1967.

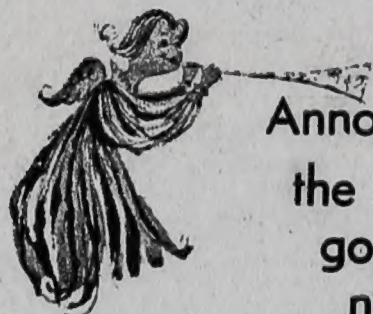

Lowest or any tender not necessarily accepted.

DOUGLAS STENNER, Clerk,
Township of Cardiff,
R.R. 3, Bancroft, Ontario.

1967 PONTIAC FIREBIRD

Pontiac has introduced a new sports car series, the Firebird, with two models, the hardtop coupe shown above and a convertible. Built on a 108-inch wheelbase, the Firebird adds a new dimension to the personal sports car field offering as standard equipment Pontiac's overhead camshaft six-cylinder engine, bucket seats, all vinyl interiors and the safety items previously announced on 1967 Pontiacs. Firebird options include both the 326-inch and the 400 cubic-inch V8 engines, four-speed manual transmission, front disc brakes, automatic transmission and bench type front seat.

Haliburton Midgets Win 7-4

Over two hundred hockey fans were in attendance at the Dysart Community Arena to witness the first game of the semi-final series between the Haliburton Midgets and Stroud on Saturday night. Those in attendance were well pleased with what they saw as both teams came up with a sparkling brand of hockey. It appeared to us as though the local Midgets were just a little bit faster than the team from Stroud as they seemed to be about one step ahead for the greater part of the game.

If they play the same brand of hockey as they did on Saturday they should take this series without too much difficulty and go into the finals. Those who scored for the Midgets were Jim Allen who came up with three goals for a hat trick, and Karl Consack and Gordon Scheffee got two goals each. We were un-

able to secure the names of the players who scored for Stroud.

Haliburton Midgets meet the Stroud Midgets in the Elmvale Arena on Friday evening, and if a third game is necessary it will be played in the Arena here on Sunday afternoon commencing at 4 p.m.

Should Haliburton win this series they will meet either Belmont or Plattsville in a series that will decide the O.M.H.A. Midget Championship of Ontario.

We might state that the management here would prefer to have the final game played here on some other day than Sunday, but the series must be finished on this date so in order to stay in the Sunday was necessary.

HALIBURTON COUNTY ECHO
PHONE 350W

HUDSON'S LAST VOYAGE — Explorer Henry Hudson is warned of mutiny aboard his ship Discovery in a scene from "The Last Voyage of Henry Hudson", a half-hour film drama by the National Film Board. It tells of his search for the fabled passage to the Orient which ended in disaster but paved the way for settlement in Western Canada. Powys Thomas stars in the title role. "The Last Voyage of Henry Hudson" is available to groups and individuals from film libraries and NFB distribution offices.

Lindsay Win 2-1 To Gain Finals

The hottest contest of the Tri-County Senior Hockey League semi-final playoff series took place at the Lindsay Kiwanis Arena last Wednesday night when the Lindsay Midtown Tigers edged Burnt River 2-1 to win the best-of-five series three games to one.

Don Bowery scored early in the second period to tie the score at one each, and Murray Weightman broke the tie about mid-period. From then on the heat was on as wave after wave of attackers tested rival goalies, but the Tigers made Weightman's goal stand up for the win and the series.

Coboconk Squad To Meet Belmont

The Coboconk Lions Juveniles met Belmont Lions last Saturday at Cannington in the first game of a best-of-three Ontario Minor Hockey Juvenile 'D' final series.

Second game of the series is slated for April 1 at Belmont.

Coboconk eliminated Oakwood, Little Britain, West Guilford and Warsaw to reach the Ontario Championship final.

Merchants Lose In Lindsay

Two great teams lost hockey games by identical scores this week. Sweden defeated Canada 6-0 in World Hockey Tournament play and the Lindsay Midtown Tigers defeated the Haliburton Merchants 6-0 in the first game of the Tri-County Senior Hockey League Playoffs in Lindsay on Tuesday night.

The Merchants who possibly played their worst game of the season just couldn't seem to get going as every player seemed to have an off night.

The going in the sixty minutes of play was very rough with a large number of penalties being handed out. The Merchants ended the game with only one of their regular defencemen able to see action. The others were either in the penalty box or put out of the game.

The second game of the best four-out-of-seven series will be played at the Haliburton Arena this Saturday night at 8:30 p.m.

Merchants Bow Out In O.R.H.A. Playoffs

The Haliburton Merchants bowed out of the O.R.H.A. Playoffs at the Haliburton Arena last Friday night when they went down to defeat at the hands of Sunderland by the score of 11-7.

Playing before the biggest hockey crowd of the hockey season which was well over 500 the two hockey teams dished up one of the fastest and most thrilling games of the season.

Going into Friday night's game Sunderland led the best four-out-of-seven series three games to two. It was a must game for the local Merchants. The Merchants, knowing that their backs were against the wall, came out and gave it everything they had and never let up until the final whistle had sounded.

Sunderland stepped out to a 3-2 lead at the end of the first period but the Merchants came back in the second period to score two unanswered goals to lead 4-3 at the end of two periods.

In the third period the Merchants were leading by the score of 6-5 with less than a minute to play, and from where we were sitting it looked as though the Merchants were home free. But at the 19:07 mark Rae Pickell of Sunderland took a pass from Wayne Down to beat Dick Schell in the Haliburton net and it was a tie game.

In the first ten minutes of overtime Sunderland drew first blood at the 4:16 mark, but Scottie LaRue came through for the Merchants to tie it up in the dying minutes of the first overtime session.

This forced a second ten-minute overtime period, but in this one it was Sunderland all the way as they came through with four goals to win the game 11-7 and wrap up the series.

Scottie LaRue, playing his best game of the season, scored two

goals with Jim Scheffee scoring a pair, Bill Parish, George Nicholls and Curry Whittaker netting singles for the Merchants in a losing cause.

The following is the summary:

FIRST PERIOD

1. Scottie LaRue (Lyle Stamp) 4:55; 2. Tom Lee (Wayne Down) 4:26; 3. Ted Morrow (J. McKnight, Don Brooks) 12:29; 4. Don Reid (Don Brooks, J. McKnight) 17:07; 5. Jim Scheffee (Rick Bain) 18:48.

Penalties - Wayne Brown, interference, 13:23; George Nicholls roughing, 13:23; Don Brooks, tripping, 18:25.

SECOND PERIOD

6. Jim Scheffee (Scottie LaRue, Lyle Stamp) 16:11; 7. Bill Parish (Chris Carroll, Lyle Sawyer) 19:17.

Penalties - Rick Bain, interference, 10:00; Don Brooks, holding, 10:20; Don Reid, interference, 12:35; Brian Down, tripping 15:14.

THIRD PERIOD

8. George Nicholls (Ron Stackhouse, Jim Scheffee) 3:07; 9. Wayne Down (Ted Morrow, J. McKnight) 4:38; 10. J. McKnight (Wayne Down) 7:30; 11. Curry Whittaker (Peter Curry) 7:43; 12. Rae Pickell (Wayne Down) 19:07.

Penalties - Tom Lee, fighting (5), 1:35; Lyle Stamp (fighting (5), 1:35; Chris Carroll, slashing, misconduct (10), game misconduct, 12:27; Curry Whittaker, high sticking, 15:47; Scottie LaRue, tripping, 19:58.

OVERTIME

13. Tom Lee (Ted Morrow, Don Brooks) 4:16; 14. Scottie LaRue (Jim Scheffee, George Nicholls) 9:37; 15. J. McKnight (Ted Morrow) 10:36; 16. Ted Morrow (Tom Lee) 13:38; 17. Ted Morrow (Don Reid) 14:20; 18. Grant Parliament (unassisted) 16:48.

Penalty - Ron Stackhouse, tripping, 18:25.

Haliburton Squirts Win Trophies

The Haliburton Squirts can put down the 1966-67 hockey season as a very successful one. The Squirts who are sponsored by the Haliburton Branch of the Royal Canadian Legion, are coached by John Curry and their manager is Lloyd Curry. These two men have done a wonderful job with these boys.

Up to this point in the season

the Haliburton Squirts have won three hockey tournaments and have brought home three hockey trophies.

The team captured the Wright Trophy and the Morris Dettman Trophy at Kinmount and were the winners of the Monmouth Trophy at a hockey tournament played in Wilberforce.

The local Squirts in these three tournaments have compiled a great scoring record. They scored 50 goals while only having five goals scored against them.

Reach Finals

Little Britain Intermediates will meet the winner of the Beeton - Port Elgin semi-final series in O.H.A. Intermediate 'C' Finals.

They reached the finals by defeating Trenton Flyers four straight in a best four-out-of-seven series.

Last season Little Britain reached the semi-finals, being eliminated by Trenton.

Squirts Win At Bancroft

The Haliburton Squirts defeated Bancroft Squirts by the score of 3-2 in an exhibition hockey game played in Bancroft on Friday afternoon last.

Tim Curry led the Haliburton attack with two goals while Ernie Bain picked up a single marker.

HALIBURTON

Miss Lynn Secretan of Toronto visited Nedean Casey over the Easter weekend, prior to moving to England on April 14.

We are sorry to report that Mr. Earl McNeil of Haliburton suffered a heart attack here this week. We wish him a speedy recovery.

Mr. and Mrs. David Chambers of Peterborough are spending their Easter vacation in Haliburton.

We wish to welcome to our community Rev. and Mrs. Keith Putman. Rev. Putman is the new assistant minister at the Full Gospel Lighthouse here in Haliburton.

Mrs. George Wheeler and daughter Debbie of Marlboro, N.Y. are visiting in Haliburton this week.

Letters To Editor

(Continued from Page One)
spread this idea and at some future date plans to meet with those interested in this area to assist us.

I have also had further correspondence with Miss Macauley who has continued to investigate this idea and has provided me with the names of some other people who might be in a position to assist.

With this encouragement we would now like to engage the interested support of more citizens of this area and hope to have a meeting April 11th, 1967 at the Haliburton United Church to discuss the matter further and also to view the film "Campus in the Clouds" which shows much of what has been done at Banff School of Fine Arts.

Thanking you for your attention to this matter,

Yours sincerely,
(Mrs.) Elizabeth Hobden.

Roy Brohm Speaks At Minden Rotary

Mr. Roy Brohm of Haliburton, Reeve of the Municipality of Dysart et al, was the guest speaker at the Monday night meeting of the Minden Rotary Club.

Roy spoke to the club about the building and operation of the new Arena in Haliburton. The citizens of Minden are thinking about building a new arena and many of the Rotarians guided questions in the Reeve's direction.

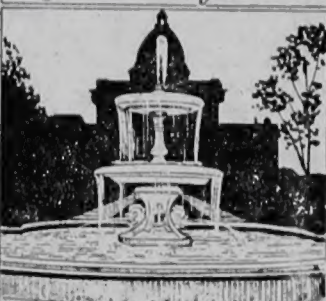

Life Together As A Family

It has been said that a nation is only as strong as its Family Life. Thus, it seems it is in our interest that we strive to maintain a strong and loyal family unit. However, due to the various personalities and interests within many families, problems and frictions are bound to arise from time to time. How can these best be met? What are the main ingredients which are conducive to a happy and harmonious home life?

These and many other questions will be discussed at the Workshop "Life Together As A Family", one of the many workshops to be featured at the Haliburton Highlands Secondary School on Saturday night, April 22 at 8 p.m. Plan now to take part in these and the many other activities planned for the Faith At Work weekend.
